Say I do in our stunning on-site chapel

Our enchanting chapel was built in 1907 and comfortably seats 300 in collegiate style pews. Featuring a large charming chancel and apse, this remarkable space offers a unique and special setting for a memorable wedding ceremony.

You are spoilt for choice when it comes to ceremony options, choose from our charming Old Library, stylish and contemporary Densham Suite, or our pretty chapel garden if you prefer an outdoor ceremony.

Enjoy your wedding breakfast in our recently opened grand Densham Suite

In September 2020 Taunton School opened one of the largest hospitality event spaces in Taunton. With a 3.6-million-pound investment, this impressive purpose built facility is both architecturally beautiful and energy efficient, featuring state-of-the-art sound, vision and lighting.

The venue integrates the old with the new; the traditional gothic stone wall is fused with contemporary glass-fronted space and modern pine, offering a unique and sensational space, perfect for the large and stylish wedding with a guest list of VIPs.

The Densham Suite can cater for 300 seated on round tables, or up to 500 guests for an informal reception or evening party. With the added flexibility, the room can be equally subdivided to provide separate areas for the day and evening occasions.

Our Charming Old Library

Perfect for a traditional style wedding breakfast of up to 135 guests and evening parties for up to 190

The Old Library is a classic and romantic wood-panelled room with beautiful gothic windows and attractive golden chandeliers, offering an essence of timeless elegance and a stylish backdrop for your formal wedding breakfast or evening reception.

For your evening celebration, we can open the library's adjoining rooms revealing a buffet suite and fully stocked foyer bar, meaning you can invite up to 190 guests to dance the night away.

We offer a range of exciting evening menus, from the traditional buffet to hog roasts and street food, catering for all your needs and wishes.

Our wedding planners can help you with ideas for styling and suppliers, and we have relationships with a range of quality local recommended suppliers to support smooth planning.
